

1 September 1987

Barbara:

At your convenience, I am trying to locate some memos relating to the Boren/Cohen and Stokes/Hyde meetings that I schedule.

1. Memo to the A/DCI to prepare him for the 18 Feb 1987 meeting w/Stokes and Hyde.
2. Memo to the DCI to prepare him for the 10 June 1987 Boren/Cohen meeting and the MFR after the meeting if you have it.
3. Cover memo for the 7 April 1987 Boren/Cohen mtg. Attached is a bootleg copy of the talking points that should have been attached. (I only need a bootleg of the covering memo.)
4. Memo to DCI to prepare him for the 4 February 1987 Boren/Cohen meeting and the MFR that was done afterwards if you can find them.
5. Memo to the DCI to prepare him for the 13 January 1987 Boren/Cohen mtg.

I cannot swear you will find the above documents. On some of them maybe the reason I don't have them is because they weren't done but would appreciate whatever help you can give me.

Thanks!

Michelle
